

PRODUCT RANGE

ISO 9001 & 14001 Accreditations ● Wide range of submersible pumps and motors in 3", 4", 6" 8" & 10" available with different materials of construction ● Products with international quality certifications like ISI, CE, TSE, UR, UL

- Stainless Steel Submersible Pumps
- Submersible Motors
- Waste water submersible Pumps
- Bottom Suction Submerible Pumps
- End Suction Pumps
- Centrifugal Pumps
- Jet Self-priming Pumps
- Peripheral Pumps
- Solar Pumping Systems
- Horizontal & Vertical Multistage Pumps
- Pool Pumps
- Diesel Generators
- Slurry Pumps
- Horizontal Split Case Pumps
- Special Application Pumps
- Submersible Cables
- Pressure Controllers
- Control Panels
- uPVC Pipes
- Valves
